

STAY WARM & STAY ELEVATED WITH

ButACake

DECEMBER 2025

Hey Sweet Friend,

Winter's here — and we've got the perfect way to keep cozy! Whether you're snowed in or just dodging the cold, ButACake treats are your go-to for warm vibes and good company.

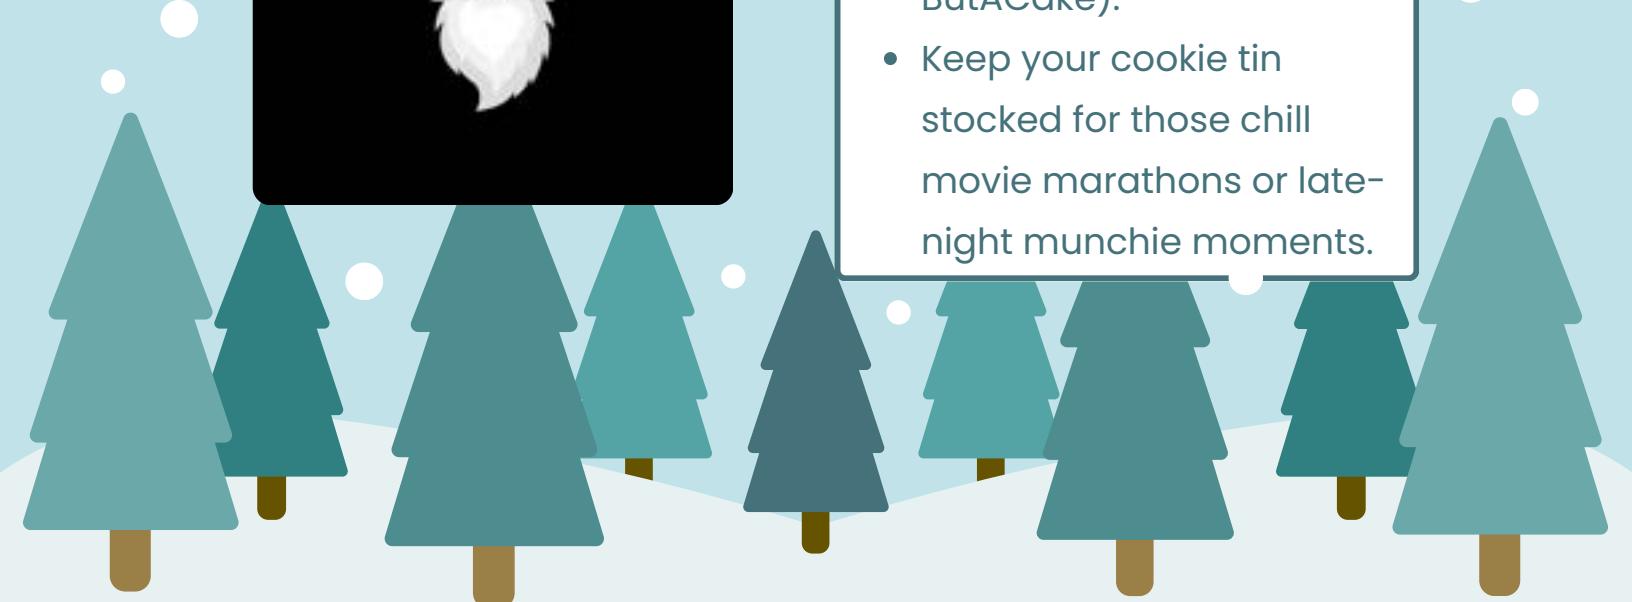

Reminders

We'll be popping up at select dispensaries all season long — come say hi, snag free swag, and maybe even score the coveted ButACake lunchbox (trust us, it's a collector's item).

Fun Ways to Stay Toasty This Season:

- Pair your favorite brownie with a hot latte or cocoa — instant comfort.
- Host a "Bake & Blaze" night with friends (BYO ButACake).
- Keep your cookie tin stocked for those chill movie marathons or late-night munchie moments.

ButACake
NOT FOR KIDS

DECEMBER 2025

Reminders

Be the Star of Your White Elephant Party:
Forget boring gifts — share ButACake instead! Not for kids (obviously), but definitely for anyone who loves good vibes, flavor, and fun.

Cookie Tin Classics Are Back!

Haven't tried them yet? Oh, you're missing out. Our sugar cookie, snickerdoodle, peanut butter, chocolate chunk, and oatmeal raisin are ready to gift, share, or keep all to yourself. We won't tell.

Stay cozy, stay lifted, and spread the sweetness this winter.

Warm wishes,
The ButACake Team
